Dear Stan:

Unfortunately by the 6th of June the personnel around here are all going to be off on their own ways around the country for the summer. Consequently, there is no one who will be able to make the special session.

However, on the brighter side there are two men sincerely interested in this, and I asked them if they would like to do something along these lines in the fall. They are very much for it; so I hope that something can be arranged then.

As for myself, I do not know for sure just where I will be that Saturday. Do not definitely count on me yet, but I will do my best to be there. I will let you know as soon as my plans are firmed up.

Good luck to you, and many thanks for getting this off the ground.

Sincerely,

Clinton C. Brooks
Chairman
